I wanted to send you this letter/email to let you know about some important events/dates to keep in mind for your student's upcoming senior year! This letter will let you know all about our upcoming senior portraits, senior ads, and yearbook deadlines for 2024-25.

2025 Yearbook

The Ambush 2025 yearbook will go on sale starting in the first week of school in August. It will start at \$65 and will gradually rise as we go throughout the year. Yearbooks can be purchased online at **jostensyearbooks.com**. Keep abbn eye out for yearbook promotions starting in August! Cash/Check and Lay-away options are available as well.

Tux

Drape

Senior Ads

Senior Ads will go on sale starting in August and will commence selling around the last day of school in December. Senior Ads can be designed online at **jostensadservice.com**. The price will increase in November so be sure to purchase your senior ad before thanksgiving! We will stop selling senior ads in December.

Senior Portraits (Tux/Drape Formals)

Each senior will be required to take a formal tux/drape photo in order to be featured in the yearbook and a cap and gown portrait for the slideshow shown at graduation. Senior portraits are at no cost to parents/students - when registering online, make sure to select the free "yearbook sitting" option. All seniors must have their portrait taken as required by the Denton ISD Student Code of Conduct. All senior portraits must be scheduled online at **<https://seniors.legacystudios.com/braswell-hs-aubrey-tx/>**. Parents are not allowed to attend on-campus portrait sessions when school is in session.

When will the scheduling site (seniors.legacystudios.com) open for Braswell sessions?

- The scheduling site (<https://seniors.legacystudios.com/braswell-hs-aubrey-tx/>) will open on July 1, 2024 for the August 6, 2024 session. It will open again approximately one month before the September 23-27, 2024 and October 21-25, 2024 sessions. Please schedule your appointment as soon as possible - we have over 600 seniors to photograph in very little time, so don't miss out! We do not have room for missed appointments, so once you schedule, please make plans to be there!

Schedule an appointment at Legacy Studios:

- You can also schedule a senior session at Legacy Studios in Richardson, Texas. All sessions must be photographed and completed by Saturday, November 23, 2024 in order to be featured in the 2025 yearbook. We will not have any portrait sessions at Braswell over the summer or after October 25, 2024. Feel free to get your portrait taken over the summer at Legacy Studios in Richardson - they currently (as of July 2nd) have a lot of availability during the month of July. Schedule an appointment online at <https://seniors.legacystudios.com/dallas-studio/>

*Note: All sessions must be photographed and completed by Saturday, November 23, 2024 either at an on-campus session or in Richardson, TX at Legacy Studios in order to be featured in the 2025 yearbook and graduation slideshow. Yearbook portrait pages are submitted shortly after receiving the photos from our photography company in December - which is why we need students to take their photos during the scheduled times in September/October.

For the Yearbook

Seniors will take a minimum of two photos with Legacy Studios. The first pose is the traditional tux/drape shot for the yearbook.

Both photos are taken during the same session.

For the Graduation Slideshow

The second pose is a cap and gown shot - utilizing a black cap and gown, red/black tassel, and a red stole for all graduates. There will also be a white NHS stole for those who have been inducted into the National Honor Society.

The graduation cap and gown photo is used in a slideshow shown at graduation on the UNT Super Pit jumbotron right before the graduates walk out for graduation.
