### The Ambush Yearbook Parent and Student Agreement

By signing below, I give permission for my student to participate in The Ambush Yearbook class. I understand and agree to the following:

- Participation in the yearbook class is a privilege, not a right, and is based on a selective application and approval process.
- Continued participation is dependant upon meeting academic, behavioral, and performance expectations.
- Yearbook will have Major Grades (Yearbook page deadlines & Photo assignments) and Minor Grades (caption writing, photo composition, editing, etc.)
- Students will be required to:
  - Stay after school to meet deadlines
  - Arrive early before school, and/or
  - Attend Saturday workdays at least once a month (or more depending on yearbook deadline progress) or special work sessions. Notification of work days will be given at least two weeks in advance.
- Students will be required to attend school-related photo events, activities, or assignments outside of regular school hours, at least once per two-week period.
- In addition to the two-week period photo assignments, students will also be assigned an activity/fine art/sport and will be required to attend all home games/performances (or similar - i.e. Golf, Swim, etc.). It will be the student's responsibility to provide photos for their pages and their responsibility to interview all students on the page.
- Transportation to and from all yearbook-related activities and events is the responsibility of the student and parent/guardian. Inability to find transportation is not a valid reason to miss workdays or photo assignments.
- Failure to meet deadlines, responsibilities, or expectations will result in removal from the yearbook staff.
- The student agrees to make an effort to cover all students - not just our friends or ourselves.
- Page topics/sports/fine arts will be assigned at random; a student involved in an activity/sport/ fine art may not work on that page - i.e. Varsity Basketball players cannot work on the Varsity Basketball page.
- A class fee of \$100 will be required each year - students will receive 1 regular yearbook (students may pay extra for personalization/icons), and a staff/photographer t-shirt.

I understand that yearbook is a team-based, deadline-driven program that requires commitment, responsibility, and professionalism.

### Parent/Guardian Agreement

I have read and understand the expectations listed above. I agree to support my student in meeting these responsibilities and grant permission for my student to participate in the yearbook program.
